## Ramdasia

Too many Punjabis and not enough Gursikhs managing Gurdwaras. I hope this continues to show that the Sikh faith is one that will always help in times of need.

### **Bradford's Sikh community raises £40k in days to help medics in the fight against coronavirus**

Comments are made on the role played by the gurdwaras in perpetuating Punjabi cultural traditions among Sikh migrants, including the teaching of Punjabi to Sikh children. We ALL started as Hindus and Muslims in India and before those religions existed, what were we? Wahe Guru Ji Ka Khalsa Wahe Guru Ji Ki Fateh The gudwara has done nothing wrong I am a singh who goes to this gudwara very frequently and it was made clear no future mixed marriages would take place.

### **Bradford's Sikh community celebrates birthday of Guru Gobind Singh Ji in online event**

But the decision angered worshippers at the Guru Gobind Singh Gurdwara as many of them are strict vegetarians.

### **Bradford's Sikh community donates over £40k to BRI's intensive care fund**

Analysis of the life-cycle rituals provides new insights into the workings of caste, religion and the kinship system among the Sikhs. For the sake of clarification and to avoid nomenclatural confusion we may add Ramdasia and Ravidasia also. Modifying the environment at the Gurudwara to make it easier for people with dementia to interact with.

### **Bradford's Sikh community donates over £40k to BRI's intensive care fund**

It was quite clear the singh with the camera was acting defiantly he was told by the police to put the camera down however he took this opportunity to cause conflict.

## **Tale of Politics and Beadbi at Bradford Gurdwara**

The original Gurudwara is still run, burned out, just from their adjacent tiny buildings.

### **City Sikhs Foundation**

This has become a social media attack, a personal attack to the Gurdwara committee with all disregard to sikhi.... The money will help fund an additional mobile ultrasound machine, which has specialist probes to help clinicians monitor and treat the most poorly patients in ICU, and two Sara Combilizer rehabilitation chairs, which provide out-of-bed mobilisation to critically ill patients.
