The narrative is centred on three children, and explores love, hatred, death, disability, repentance, self-sacrifice, forgiveness and reconciliation. So now he pulled her head against his shoulder and told her all about it.

**Job 38:22 Have you entered the storehouses of snow or observed the storehouses of hail,**

He looked at the girl spitefully. I particularly love the stillness present beneath the high gray ceiling of clouds just before a snowstorm and then the snow covered leafless trees after the snowfall. Intrigued, Lucien asks whether he can make Dani better, but is told the doctor is leaving the hotel for home early the next morning, and that his fees are far too expensive.
