By 1814, hats were being traded by the caseload from the trading post at Astoria, and ten years after that trader George Simpson was describing them as the standard item against which the value of other goods was measured. After more than a decade on his trail, historian Mary Malloy delivers the fascinating life history of ship captain Sam Hill and his world-wide adventures on the high seas.

## Coastal Woven Hats

He was also insane, a madman who kidnapped a girl and held her for 2 years aboard his ship, a man who neglected his ship and blamed others for disasters. Sailors were the link through which the old world had encountered the new, Europeans and Americans entered the Pacific, and biota and technology were globally transported.
