**Ancient Mariners, The: Seafarers and Sea Fighters of the Mediterranean in...**

The oldest identified Phoenician ships—two vessels found near the coastal Israeli city of Ashkelon—date to 700 BCE. It includes an excellent glossary of classical maritime terms, a timeline, and a very usable index.

**1992.01.04, Lionel Casson, The Ancient Mariners,**

The Rights Holder for media is the person or group credited. Most ships crossing the Indian Ocean planned to leave the east coast of Arabia during the second half of November and the first half of December. The book includes references, and most importantly a timeline listing of landmark events.

**Maritime Archaeology of the Ancient Mediterranean**

The command of the sea is shown to have been essential to any strong ancient city state, nation or empire. Individual chapters address comparative periods and regions e. The Development of the Lateen Sail The square sail was employed almost universally in the ancient world.

**The Ancient Mariners book by Lionel Casson**

This completely revised edition takes into account the fresh information that has appeared since the book was first published in 1959, especially that from archaeology's newest branch, marine archaeology.

**The Ancient Mariners (0691014779) by Lionel Casson**

Certainly the bottom level rowers were in no danger of suffocation because the fighting platform was not a true deck but only a central gangway, as Casson correctly describes it p. GlassFrogBooks via United States Softcover, ISBN 9780691014777 Publisher: Princeton University Press, 1991 Used - Good.

## **The Ancient Mariners: Seafarers and Sea Fighters of the Mediterranean in Ancient Times by Lionel Casson**

He explains how they perfected trading vessels from mere rowboats into huge freighters that could carry over a thousand tons, how they transformed warships from simple oared transports into complex rowing machines holding hundreds of marines and even heavy artillery, and how their maritime commerce progressed from short cautious voyages to a network that reached from Spain to India. Brand New, Perfect Condition, allow 4-14 business days for standard shipping.

### **The Ancient Mariners**

Basically, this would be — for me — the paradigm of a textbook. In recent years, archaeologists have tried to fill in some of the gaps in our knowledge about the Phoenicians.
