**Bernard Porter · How did they get away with it? Britain's Atrocities in Kenya · LRB 3 March 2005**

It was important given the revisionist history to be so thorough, but at the same time it may prevent less dedicated people from learning the basics of the history. A pivotal piece of research of a very unfortunate time period and of what had been an often misrepresented history.

Pages in great shape, no tears. Given the violence on both sides, this is a heavy book and a bit of a slower read, but if you're interested at all in colonial politics in Africa or Kenyan history in general, it's worthwhile.

### **Histories of the Hanged: The Dirty War in Kenya and the End of Empire by David Anderson**

This groundbreaking work tells how the brutal war between the colonial government and the insurrectionist Mau Mau between 1952 and 1960 dominated the final bloody decade of imperialism in East Africa. One judge was effectively bribed to reach a guilty verdict: he was paid £20,000 to come out from Britain to put Kenyatta behind barbed wire in 1953.
