### Polarization, foreign military intervention, and civil conflict

This can be weighed in terms of men, money, and materiel. James Madison, in , continued Hamilton's argument that distributing powers among the various branches of government would prevent any one group from gaining so much power as to become unassailable.

### by Number: Military Intervention in Civil by Zachary C. Shirkey

Morocco, Algiers, Tunis, and Tripoli 1812—1815 United States vs. The argument depends on complex causal estimations and calculations about which certainty or reliability is dubious. Cambridge: Cambridge University Press, 2008.

### Timeline of United Nations peacekeeping missions

Most scholars agree with the theory of objective civilian control of the military Huntington , which focuses on the separation of civil and military institutions.

### Military Intervention, Humanitarian

Author's opinion Major Giroldi was not the most credible coup leader because he had put-down a coup attempt against Noriega in 1988. The Moscow government did not intend to respect Transcaucasian independence for long.

### Military Intervention: A Question Of Risk

The success of Operation Desert Storm set a new high-water mark for the military and underscored the principle of committing overwhelming force to clear and achievable objectives. The ramifications of the , specifically the American decision to maintain a large for the first time in its history, led to concerns about whether such a large military structure could be effectively maintained by a liberal democracy. Marines were landed to protect the consul general.

### by Number: Military Intervention in Civil by Zachary C. Shirkey

The Persian Gulf incidents of 1988 have met with mixed reviews, but all in all, the Navy and Marine Corps performed well and the sea lines of communication have remained open for free navigation. Though seldom distinguished by critics of interventions, a weaker version of the objection is that, among morally justified interventions, states choose to intervene in those situations that serve their national interest. Such a right of defense — of self or of others — is one that the right-holder chooses whether to exercise or not: just as there is no duty to fight in self-defense, then, there is no duty to use deadly force in defense of others.

### **Understanding Russia's Intervention in Syria**

Chapel Hill: University of North Carolina Press. Some of these interventions had humanitarian goals, but others did not, and provided military support to different sides in the conflict. The military draft was a political bone thrown by the American Right to the American anti-war Left.
