China blasts Pompeo over accusation of genocide in Xinjiang

The military-industrial complex is tremendously adaptable. We have too much de-contextualized data and no way to process and filter it all.

Graham Greene Books

And Rowe, embarked on his quest for justice, begins to realize the limitations of the story he has inhabited: Over there among the unknown tribes a woman was giving birth, rats were nosing among sacks of meal, an old man was dying, two people were seeing each other for the first time by the light of a lamp: everything in that darkness was of such deep importance that their errand could not equal it—this violent superficial chase, this cardboard adventure hurtling at forty-five miles an hour along the edge of the profound natural common experiences of men. And we are largely not. I have trouble staying the hell out of my work.

These are the questions for which I, the writer, have no answers. Both innocence and narrative simplicity are longtime staples of commercial fiction.

The Ministry of Fear Quotes by Graham Greene

And you lose a year trying to save what you love, while reshaping the whole thing.

9780143039112: The Ministry of Fear: An Entertainment (Penguin Classics)

Commercial entertainment, on the other hand, smoothes everything over. Graham Greene seems a good writer to study in both regards.

Literary Encyclopedia

Before arriving in the city, however, his trip is intercepted by the blind man sharing his train compartment, who turns out to be an operative wanting whatever is inside Neale's prize cake. I think one of the reasons literature has been having so much trouble is that maybe we need new words.
