## The Berlin blockade

Angered by these developments, the Soviets began stopping British and American trains to check the identities of the passengers.

## Berlin Blockade and the Cold War

At the time a codename was needed to coordinate activities. All of the existing runways required hundreds of labourers, who ran onto them between landings and dumped sand into the runway's pierced steel planking to soften the surface and help the planking survive.

## How was the Berlin blockade related to the Cold War?

Truman saw that, with the Iron Curtain dividing Europe in half, communism would spread quickly and what he wanted to do was help countries that were threatened by Communism and this is what the Truman Doctrine consisted of.

## Communism And The Cold War

Clay called in , the mayor-elect of Berlin, accompanied by his aide,. The children quickly divided up the pieces as best they could, even passing around the wrapper for others to smell. The ACC met for the last time on March 20, when, after being informed that the results of the London meetings would not be shared, the Soviet delegation walked out.
