7 Ways To Make Your Bedroom a Sanctuary

Please report any concerns to me immediately.

Spiritual Healing, Meditation, Wellness, & Depression Retreat

Do you want a room for winding down and sleep? I will also be hosting other conscious sacred sexuality workshops on a variety of topics - tantra, kundalini yoga, sacred sex art, making sacred porn, conscious conception, sex toy demonstrations, use of nature's medicine on sexual journeys, erotic body painting, multi hand sensual massage groups, etc. That said, we all know under the bed is valuable real estate, especially in small homes.

Exploring Earth Sanctuary

Every event has a very detailed description so you can decide what is right for you. So, if you cannot follow directions and read things thoroughly, you will naturally weed yourself out of my space. As you immerse yourself in a warm bubble bath of essential oils and sea salt, I gently bathe you in the Asian Tradition.

Oceana ~ Tantra Manhattan, New York City

We guarantee that this new sacred space and time will spark memories. We also respect social distancing, therefore we limit the number of participants to very small groups.

Transform Your Bedroom into a Sanctuary for Sensuality & Serenity!

Pressures will subside, to-do lists will naturally fade away.

Shed Stress and Rejuvenate Your Spirit

And parents, when your kids are old enough, do this in their rooms as well. In this space, a small bench provides the space to house items that help with meditation — a statue of the Buddha, flickering candles, and a running waterfall.
