There are typical responsibilities that may need your attention, such as writing purchase orders for new books or ordering new equipment, supplies or furniture.

The New OPL Sourcebook : A Guider for Solo and Small Libraries by Judith A. Siess (2006, Perfect) for sale online

He is a past president of the Virginia Library Association and a lifelong elected honorary member of that association. However, armed with the right information, library science professionals can successfully build and sustain a resilient library and information science LIS career inside—or outside—the traditional library setting. Despite the fact that librarians bring unique value to their communities and organizations, too often their work goes on under the radar.
