I who can succour, I can strike; I'll launch The legions over sea, and I myself Will lead them, and the eagles will unloose Through Britain—I who sit on the world's throne Will have no threatening from Briton, Gaul, People or tribe inland or ocean-washed. The figure of Nero demands the white glare of isolation to reveal its tragedy.

Nero by Stephen Phillips

What woe may that dead face not work on him, After such rain of dark calamities! Still shall you hear a step in dead of night; In stillness the long rustle of my robe. O, all the earth to-night into these hands Committed! Notes on Nero and his Ancestry, Art, Furniture, Costume with full programme.

We heard her through the ripple breathing deep, And when we heard no more, we watched her still— Her hair behind her blowing into gold As she did glimmer o'er the gloomy deep; And all the stars swam with her through the heavens, The hurrying moon lighted her with a torch, The sea was loth to lose her, and the shore Yearned for her; till we lost her in the dark, Save now and then some splendid leap of the head.
