## The Food Safety (Fishery Products) Regulations 1992

John Selwyn Gummer Minister of Agriculture, Fisheries and Food Signed by authority of the Secretary of State for Health. These Regulations may be cited as the Food Safety Fishery Products Regulations 1992 and shall come into force— a for the purposes of regulation 9 2 to 8 and 10, and so much of regulation 9 1 as provides conditions for the approval of vessels or establishments, on 1st January 1993; b for all other purposes, on 15th January 1993. Food hygiene legislation affects all food businesses.

## Council Directive 97/61/EC amending the Annex to Directive 91/492/EEC laying down the health conditions for the production and placing on the market of live bivalve molluscs.

These Regulations may be cited as the Food Safety General Food Hygiene Regulations 1995 and shall come into force on 15th September 1995. Although the page is still available, the data has not however been updated. Jukes 2007 - but please see To go to main Foodlaw-Reading index page.

## Council Directive 97/61/EC amending the Annex to Directive 91/492/EEC laying down the health conditions for the production and placing on the market of live bivalve molluscs.

The working decks, the equipment and the holds, tanks and containers shall be cleaned each time they are used.

## The Food Safety (General Food Hygiene) Regulations 1995

Specifications are set out for mineral hydrocarbon. Meat preparations, meat products, mechanically recovered meat and minced meat. The provisions revoked are listed in that regulation.

### Food Contaminants

Regulation 7 1 to 4 contains a notice procedure for allowing the re-export of food which appears to fail to comply with regulation 4 or for enabling

the food authority to permit the import of such food for purposes other than human consumption. For this information please consult our or the.
