**Rest of the World; U.S. Direct Investment Abroad, Including Netherlands Antillean Financial Subsidiaries; Liability (Current Cost), Market Value Levels (BOGZILM263192005Q)**

Paper presented at NBER-CRIW Conference on Wealth, Financial Intermediation and the Real Economy. Data for Figure 3 Year USDIA ACDIA 1983 0. So an understanding of what is generating this income will help economists assess how the U.

**BE**

In our first analysis we take a different approach than earlier papers which compared USDIA yields to those earned on other assets or in different locations.

**International Economics Directorate Product Guide**

The resulting yields for the 8 countries in the main sample were similar to those reported, but these estimates could not be constructed for the expanded sample for several countries because inconsistent reporting resulted in U.

**U.S. Direct Investment Abroad (USDIA)**

Abstract: A longstanding puzzle is that the United States is a net borrower from the rest of the world, yet continues to receive income on its external position. Some studies compare pre-tax with post-tax yields.

**Rest of the World; U.S. Direct Investment Abroad, Including Netherlands Antillean Financial Subsidiaries; Liability (Current Cost), Market Value Levels (BOGZILM263192005Q)**

Risk, Returns and Multinational Production.

**Financial business; U.S. direct investment abroad; asset, Revaluation/other changes in volume (DISCONTINUED)  
(FBDIAAA027N)**

We adjust the country-level positions from a historical-cost to current-cost basis using the ratio of the aggregates when we compute USDIA country-level yields. Direct Investment Abroad USDIA , Foreign Direct Investment in the United States FDIUS , and U. Officers, directors, employees, or agents of a U.

**U.S. Direct Investment Abroad: Balance of and Direct Investment Position Data**

Otherwise, as pointed out in Fillat and Garett 2010 , investors would not bother holding the equities of domestic-only firms in equilibrium. Units: Millions of Dollars, Not Seasonally Adjusted Frequency: Annual Notes: Source ID: FD793092005. In contrast, USIUS and FDIUS earnings are already net of all taxes.
