skynet2550.us.to: Sustainable Communities: The Potential for Eco

In reality, we witness more the death of local neighbourhoods than their creation or rejuvenation, reflecting an increasingly mobile, privatized and commodified society.

skynet2550.us.to: Sustainable Communities: The Potential for Eco

It will be of immense benefit, not only to town planners but also to all those professional and voluntary groups and politicians who seek to create the new communities of tomorrow' From the Foreword by Jed Griffiths, Past President of the Royal Town Planning Institute. In reality, we witness more the death of local neighbourhoods than their creation or rejuvenation, reflecting an increasingly mobile, privatized and commodified society. The cover may have some limited signs of wear but the pages are clean, intact and the spine remains undamaged.

Sustainable Communities : The Potential for Eco

It is a book of principles that could, I believe, be applied anywhere, offering an exciting and hopeful view of possibilities for the future.

Sustainable Communities : The Potential for Eco
