## Geography of Prince Edward Island

For reported hybrids nothotaxa or hybrid formulas we also indicate the hybrid parents, except if the parents of the hybrid do not occur in Canada.

## AC CDC

All new reports must be documented by specimens deposited at institutional herbaria. Most of the changes 72% are due to a procedural change.

## Human activities, propagule pressure and alien plants in the sub

Although the associated increase in seal-related soil disturbance is known to impact indigenous vegetation, the effect of increasing fur seal numbers on exotic plant species is not yet clear.

## seanblaney's Profile · iNaturalist.ca

Exotic species can also introduce new diseases, which can reduce the health of native plants.

## AC CDC

Many species are apparently secure or secure 47%. Government policy of not competing with commercial enterprises. The Database of Vascular Plants of Canada or VASCAN is a comprehensive and curated checklist of all vascular plants reported in Canada, Greenland Denmark , and Saint Pierre and Miquelon France.

## Human activities, propagule pressure and alien plants in the sub

The main focus of the Conservation Restoration CoRe project in the park was on enhancing the existing forest values by using forest techniques the with lowers impact possible, and re-introducing absent tree species.
