Influenced by him England, France, Holland and Austria also became proudly about their nationalism. The second half of this chapter examines the reactions of the three democracies: France, Britain, and the United States. Other categories are wars for national reunification, including the wars for Italian unification, 1859–70; wars of liberation of the peoples of colonies and dependent countries, such as the popular uprisings against English rule in India in the 18th through the 19th century; and civil wars and proletarian uprisings against the bourgeoisie—for example, the revolutionary war of the Paris Commune in 1871.

Consequences of World War I

Wars that are waged by the exploiting classes to suppress the liberation struggle of classes and nations, seize foreign territories, and enslave and plunder other peoples are unjust and reactionary.
