Linacre School of Defence

They wear a plain black gown with a round black bonnet, and carry staves.

Statuta Universitatis Oxoniensis : University of Oxford : Free Download, Borrow, and Streaming : Internet Archive

Poynton of Leudes dorf's book. This charter enlarged the University's legal privileges, and the jurisdiction of the Chancellor's Court in both civil and criminal matters at the expense of the courts of common law, and reinforced the rights and privileges of the University Press. The University of Oxford is a lay corporation first established at common law by custom or prescription and later formally incorporated by statute.
