### Formations of the Secular: Christianity, Islam, Modernity

So we did not have a great deal of choice over religious or spiritual affairs. For others, the contention that sport is a religious experience is problematic.

### Is Islam incompatible with modernity?

From what science can tell today, the resulting dynamic spacelets, so-called Calabi-Yau spaces, are the smallest extension units of reality. Having said that, Giddens appears to be treading a centre ground whereby history is not comprised of single unique explanations but nor can it be explained by shorthand concepts such as Modernity which seek to fit history into a neat series of generalisations.

### Before Religion

Curzon Press, Richmond, Surrey, England, 2000.

### Islamic Modernism and Islamic Revival

In apologetics, is it possible to change keys without changing tune? Sport may well embody and reflect social values and ideologies, they argue, but it does not offer any deeper meanings about this world beyond the activity itself.

### Religion in Japan

Remarkable about his Newtonian conversion is not the change of heart, but the change in competence. The faithful cannot rely on a ritual for exoneration; non-Catholic Christians steadily collect sins.

### GitHub

A Christian advisor, even an open-minded one, could never approve it.
