The primary objectives of the majority of the Committee were political division and economic unity between the two groups. Leaders of other countries now offer analogous dreams in their discourse.

The scenarios ahead of the Deal of the Century

In exchange, the plan proposes the following for Palestine: the transference of two areas of land in the Negev desert: one for agricultural and residential use, and the other to be used as an industrial zone. The only thing we received was the concession to be allowed a voice in the discussion on the water rights.
