Case Studies

This may be useful both from an intelligence-gathering perspective and for helping the PLA to compare its strengths and weaknesses to those of foreign militaries, including the United States, India, Japan, Australia, and others. Leaders in Beijing have reason to be concerned about multiple potential risks in the region, ranging from maritime piracy to the potential for the United States or India to disrupt Chinese supply lines if a conflict were to occur. The pyramid of corporate social responsibility: Toward the moral management of organizational stakeholders.

How Starbucks Brought Coffee to China

One recent study, however, has contributed to this culture related literature by emphasizing cultural differences at both the within- and cross-country levels, exploring how these levels concurrently affect headquarters resource allocation for innovation transfer between sending and receiving subsidiaries in China Miao et al.
