Organized Crime

WORLD ENCYCLOPEDIA OF ORGANIZED CRIME By Jay Robert Nash *Excellent Condition*

Brilliantly catalogued by the dean of American true-crime writers, Jay Robert Nash, this volume profiles the notorious gangsters, crime families, cartels, and gangland events that have shaped world history. I was glad to see many photographs here but was wanting more. Send your modifications to our editors for review.

I place most blame for this on the editor and the publisher.

World encyclopedia of organized crime : Nash, Jay Robert : Free Download, Borrow, and Streaming : Internet Archive

A book that does not look new and has been read but is in excellent condition. There is scant information regarding the crime groups in Asia, Europe or the Baltic States.
