## The Architectural Unconscious: James Casebere and Glen Seator

The exhibition is completed by a global vision of the artist's work, given by a section of black and white artworks realized since 1975 to the Nineties. Casebere's newest body of work, Emotional Architecture, debuted at in 2017, and was then exhibited at Galería Helga de Alvear in 2017—2018 and at Galerie Templon in Brussels. Since then, Casebere has devised complex models and photographed them in his studio.

## The Architectural Unconscious: James Casebere and Glen Seator

His first works in this period were inspired by the 10th century because of the co-operation between Islamic, Jewish, and Christian cultures preceding the La Alberca, Abadia, Spanish Bath, Mahgreb. His first works in this period were inspired by the 10th century because of the co-operation between Islamic, Jewish, and Christian cultures preceding the La Alberca, Abadia, Spanish Bath, Mahgreb. Adam, Bristol-Meyers Squibb; 3 p.

Start a Gallery Site to exclusively showcase your gallery. Technology in the Schools: How technology is changing teaching and learning; GSE's

Michael Tierney and Kenneth Tobin take a closer look at technology's impact on education. James Casebere is known for his photographs of small-scale, tabletop models reminiscent of prisons, monasteries, tunnels or factories, while Glen Seator devises architectural forms from existing office spaces and building facades that provoke a comparable dislocation.
