Though efforts have been made towards alleviating its causes and consequences, more actions still need to be taken for its genuine alleviation and eventual eradication in the world. There is indeed a great spiritual hunger among us in these frightening and disorienting times.

## The Eucharist and the Hunger of the World by Monika K. Hellwig

Two thousand years later, we continue to relive that primordial image of the Church. How are we nourishing ourselves spiritually? Next time you enter church, vow to not sing, only listen.

## Eucharist and the Hunger of the World, Second Edition (Edition 2) (Paperback)

However, just as our physical bodies need food and water in order to live, our souls also need food and drink, the spiritual food and drink of righteousness, if we are to enjoy eternal life in communion with God. After Archbishop Coakley spoke, bishops were invited to share their experiences in five-minute segments. If you want to truly learn how to image the sacrament of the Eucharist read up on the Theology of the Body which is much meatier than this.
