## **Lawyer agrees to disbarment, kept client in the dark**

China Kept WHO in the Dark While the World Health Organization WHO was publicly praising China in January for its response to the novel coronavirus outbreak, behind closed doors the agency was frustrated that it wasn't getting the information it needed.

## **Idiom: Keep someone in the dark (meaning and examples)**

The excluded complaints, all validated by the department's own employees, show cases of elderly residents being punched, pushed, slapped or sexually abused by staff. A full face, or one with a helpful mouth hole, or maybe an eye hole too for starters.

Among key successes has been a dramatic drop in the size and severity of long-term care outbreaks in Ottawa from the first to the second wave of the pandemic. Most mushroom cultivation is in fact done in dark locations such as caves for reasons of utility and to save on the expense of lighting, or, as with the case of the aforementioned *Agaricus bisporus*, for appearance reasons. Comments that violate our community guidelines will not be posted.

## **Mushroom management**

Our own analysis has identified shortcomings in our processes once the system was breached. Also, the fact that the ill-treatment of detainees continued after their interrogation ended refutes the claim that it is only used to thwart acts of terrorism. Everybody else had thought that Lehman Brothers were involved with a variety of investments, including both safe and risky investments; in reality, though, they had been working with a much more risky portfolio than was appropriate.
