Labour conference 2019: Private schools action reveals party's power dynamics

But it is too little, too late, and the existential crisis the sector now faces is entirely of its own making. However, in this particular instance, his flat speaking style proved the perfect vehicle for an unexpectedly radical message. The new legislation was introduced by Hipkins on Thursday, who said it was backed by the vast majority of the education sector.

Labour votes to abolish private schools at party conference

Nearly half were in support and 27% opposed.

Labour MPs want to abolish every private school in England and seize all their assets as part of 'Abolish Eton' campaign

At this time, new party members were prevented from voting due to having liked tweets by the Green Party. The vote on Labour's approach to private education is a clear example of their clout.

Labour would 'scrap discount business rates for private schools and charge VAT on fees', according to leaked document

Enjoy more audio and podcasts on or. . That Andre Agassi will turn up and talk about how these type of schools help under privileged kids? The proportion of working-age men without qualifications who were not active in the labour force increased from 4% in the mid-1990s to 30% today.

Labour conference passes motion against private schools

While this will be popular with older women voters, businesses have expressed concerns because they say it would be too prescriptive. But the third significance is what this policy says about the power dynamics within the party.

Labour frontbencher 'appalled' at leaked antisemitism report

Over and over we are told: private schools achieve higher results; their graduates vacuum up the majority of places at the best universities; they take all the top jobs; they dominate the top of society. They are outsiders lending support, rather than stake-holders exercising ownership.

Labour Party want to get rid of Ofsted and Private Schools

One charter school operator said that a scheduled meeting with the Ministry of Education next week may be pointless now that Hipkins has acted before consultation. I am just one of those people who think equality of opportunity can make material differences in the outcomes of peoples lives.
