**Nez Percé**

After a second exchange ceremony, the wedding was considered complete.

Prior to incursions by white settlers, a number of major villages existed along the lower courses of the Snake, Salmon, and Clearwater Rivers and their tributaries. This violence led to the Plateau Indian, or Yakima, War of 1855-1858. In the winter, they built pole-framed structures over large pits and covered them with layers of cedar bark, sagebrush, packed grass, and earth.

Our late townsman, Lot Wiggin, was with Slater as clerk. Men wore breechcloths and capes in warm weather, adding fur robes and leggings when it turned cold.

**Nez Percé**

It seems like the Customs of Native americans were like reading Santas Christmas list.

**Organization of Nez Perce County, ID**

The Nez Percés: tribesmen of the Columbia Plateau. Lewiston-Clarkston, united by a free bridge that spans the Snake river, have developed into a city of all modern conveniences—a social, commercial and educational center for an empire—while its immediate environs, embracing the Vineland and Lewiston orchards, irrigated orchard districts, are classed as having no superiors in the world.
