I realize a lot has been written about this.

On this date 145 years ago, America began creating the Custer myth, a piece of which survives today

The Remains of Company D follows the members of Company D, 28th Infantry Regiment, United States First Division, from enlistment to combat to the effort to recover their remains, focusing on the three major battles at Cantigny, Soissons, and in the Meuse-Argonne and the effect these horrific battles had on the men.

About 100 soldiers were killed immediately, stuck there, among others, in the quicksand of the Little Big Horn. This is simply an attempt to get the truth—as best as possible. This alliance and the huge number of warriors coming together happened because Sitting Bull realized the dangers from a direct attack on his camp by U.

On this date 145 years ago, America began creating the Custer myth, a piece of which survives today

Secondly, the core reason—the root cause—of why Lieutenant Colonel George Armstrong Custer and his 7th Cavalry lost the Battle of the Little Bighorn has never been precisely identified and articulated. It was an amazing cohesiveness of combined will and unwavering belief that mobilized the Lakota Sioux and Northern Cheyenne people to attack the United States Army.

The Remains of Company D

Everyone can benefit from a deeper understanding of other cultures, especially a culture as spiritually advanced as the Lakota Sioux and Northern

Cheyenne were in the nineteenth century.

Book review of A Terrible Glory

The author has very strong opinions on those questions, but they should be taken with at least a grain of salt. Did you have any preconceived notions about the battle? ITEM ARRIVED ON TIME AND IN EXCELLENT CONDITION. *A Terrible Glory* is the first book to relate the entire story of this endlessly fascinating battle and the first to call upon all the pertinent research and findings of the past twenty-five years—which have significantly changed how this controversial event is perceived.

skynet2550.us.to: A Terrible Glory: Custer and the Little Bighorn: The Last Great Battle of the American West (Audible Audio Edition): James Donovan, Jeff Bottoms, Hachette Audio: Audible Audiobooks

After reading both books, I had the feeling of actually being there.
