The data consists mainly of interviews with the leadership of the sector, direct observation of activities, documents, and publications.

### Popular Sector of the Mexican by David Schers

During his administration, Salinas downplayed the corporatist relationships between the state and society instituted by Cárdenas while reaching out to more traditional interest groups. Although López Portillo's term started with economic difficulties, the discovery of significant oil reserves in Mexico allowed him to borrow funds from foreign banks to be repaid in dollars against future revenues to allocate funds for social spending immediately. Obregón was one of three revolutionary generals from Sonora, with and , who were important for the post-revolutionary history of Mexico.

### Partido de la Revolución Mexicana

Puede ser que debido a la muerte de Obregón, Calles haya decidido en su último informe de gobierno hacer un llamado a la creación de instituciones democráticas, con lo que se crearía el partido «oficial» de manera que se pudieren unificar las distintas facciones que existían a lo largo del país. Latin American Research Review, 20, no 2. The fictional Cruz had been a revolutionary soldier, corrupt politician, and businessman, now on his deathbed.
