## Older Adult Services

Appropriately managing your diet is key in getting the best possible outcomes for symptom relief. For athletes, I help them learn how to best fuel themselves for success, on and off the field.

### Winnebago County Health Department(WCHD), Rockford, IL

Our services include: vocational evaluation, resume development, training on how to complete employment applications and how to interview for employment, job search assistance, job coaching, and follow-up support to ensure successful, permanent employment. We believe that one size does not fit all and that your health and wellbeing is so much more than just a number.

## Older Adult Services

Changes in lifestyle, eating habits and exercise require an open mind and even more trial and practice. You've come to the right place. Youth Programs for in-school youth help youth stay in school by providing tutoring, counseling, mentoring, career exploration, work experiences, and overall support.

## Rockford Nutritionists and Dietitians

Additionally, we provide employment resources for people 55 years and above, i.

### Lidköping and Rockford Celebrate Their Industrial Partnership 10 year Anniversary

I also provide a comprehensive program for food sensitivity testing that includes a blood test and a highly personalized nutrition protocol for inflammatory and autoimmune conditions such as IBS, IBD, migraines, fibromyalgia, eosinophilic esophagitis, and other conditions. They are also required to complete a basic survey no later than one week prior to their appointment at. You need a strategy to help you discover which foods are right for you, improve your digestion, and feel better! At Health Loft, our vision for nutrition services starts with you.
