Previously painted or bare vinyl, aluminum, masonry, stucco, wood, galvanized metal, and primed steel. What it IS, is irrelevant at least 90% of the time. Aluminum and fiberglass windows tend to have the widest range of color options, check out this red on a stucco exterior building.

### 2021 Toyota Venza Color & Interior Trim Options

If you do go with exterior paint, please make sure you let it air until it has no odor.

### Windows: Picking the Right Interior & Exterior Trim Colors

If you start with just any old can of paint, you could risk seeing the results of all your hard work flake off within the year. Make sure your area is properly ventilated. The number one risk factor in using outdoor paints is lack of ventilation.
