Addams, Jane (06 September 1860

Bibliography of college, social, and university settlements. The implications of these findings both for affection research and for politeness theory are discussed.

Preliminary Checklist for a Bibliography on Jane by M. Helen Perkins, 1960

Radical discourse, a la Marx, has been associated with the call for extreme changes in social institutions and systems.

BIBLIOGRAPHY

Kirstenbosch National Botanical Garden, in Cape Town, is the first botanical garden to be recognized as a natural World Heritage Site. Princeton, NJ: Princeton University Press, 1998.

Addams, Jane (06 September 1860

The authors, researchers at the Rand Corporation and Brown University, use data from the National Longitudinal Surveys of Young Women and Young Men to test their hypothesis that nonfamily living by young adults alters their attitudes, values, plans, and expectations, moving them away from their belief in traditional sex roles. Jane Addams: A Writer's Life.

BIBLIOGRAPHY

While the article provides data and graphs that forecast the decline of the lionfish with a commercial fishing intervention, the methodology is incomplete.
