## Pharmaceutical and Life Sciences challenges and strategies for the future: PwC

Please see to learn more. She was listed again as the only lawyer from Singapore on the IAM 250 in 2011 and the IAM 300 from 2012 to 2018. Section 5 of the PCA creates public and private offences of active and passive bribery by both individuals and companies.

### **Yusarn Audrey > Singapore > Singapore**

May commenced practice in Singapore in the Corporate and Litigation Department of a mid-size law firm where she handled litigation and other contentious matters before joining Yusarn Audrey in May 2000 as a partner.

## Pharmaceutical and Life Sciences challenges and strategies for the future: PwC

Section 14 of the PCA provides for the recovery as a civil debt, by the principal, of an amount paid to its agent. Audrey was invited by the European Patent Office EPO to serve as an external expert under the EC-ASEAN IP Cooperation Programme in 2004.

### **Yusarn Audrey > Singapore > Singapore**

As regards corruption, section 36 of the PCA affords anonymity to whistleblowers. Remote selling soared in 2020 as doctors and hospitals resorted to virtual meetings with sales reps. Her areas of practice include contentious and non-contentious Intellectual Property matters as well as trademarks and design registration, copyright infringement and passing off cases.

## Events

She was a guest lecturer at Beijing University in 2005 on IP management. In 2016, Wilson was awarded the International Law Office's Client Choice Awards for the White-Collar Crime category in Singapore - being the sole and first winner of this award for Singapore.

He worked alongside the Asia-Pacific Economic Cooperation Anti-Corruption and Transparency Experts Working Group, the United Nations Office on Drugs and Crime, the Organisation for Economic Co-operation and Development and the International Bar Association to engage practitioners and law enforcement agencies in anti-corruption and anti-money laundering capacity-building efforts. Wilson is a frequent speaker and author of various publications on business ethics and anti-corruption and other compliance and investigations-related matters.

**Singapore**

The PDPA aims to provide a comprehensive data protection regime. Our technology law practice also involves conducting due diligence investigations and negotiating terms regarding IP ownership and technology dependencies in connection with internal IP audits, mergers and acquisitions, public offerings, and other strategic transactions.
