This is how Europe is helping companies and workers as the coronavirus crisis deepens

Azerbaijan's government has also provided AzN 8.

Access to finance

As the number of new cases has been declining, the president has announced some reopening measures to enable the restart of the economic activity.

Lending toolkit

Confinement measures included closure of schools, universities, restaurants, and shops; cancellation of public and private events; shut down of transportation services internal and external ; putting on mandatory leave half of civil servants and private workers with full compensation. Since October, the duration of self-isolation for those returning from red zone countries is 10 days.

European Sovereign Debt Crisis Definition

Soon after, confirmed cases increased rapidly, leading the government to issue a new order for travel procedures and restrictions on July 22 and new lockdown restrictions in August. However, during the transition period EU law continues to apply. The majority of platforms that are open to other countries are based in the Baltic countries.

Lending toolkit

Researchers will be able to combine InvestEU with Horizon Europe grants, but projects with joint funding will fall under InvestEU rules, not those of Horizon Europe.

The fiscal response to the economic fallout from the coronavirus

On March 23, the government declared a general holiday from March 26 to May 30, leading to the closure of government offices, private offices, and courts, and shorter operating hours for commercial banks. From December 1 entry by air, land and water has been permitted provided that nationals and foreigners entering the country present a negative test result for COVID-19, with the time allowed between test and arrival dependent on country of departure. Massage parlors, sports arenas, fitness centers, and public transports have been closed since last March.

This is how Europe is helping companies and workers as the coronavirus crisis deepens

On the same day, vaccinations against the virus began with priority groups, totalling around 600,000 people, including healthcare professionals caring for COVID patients and people over the age of 80. A levy on plastic will take force in January, and the commission will later propose EU-wide taxes on digital firms and climate-unfriendly imports. This week, China is showcasing its signature global initiative.
