Western Political Thought John S.Mill, John S.Mill Political Theory

But if the right action is the best action, and secondary principles are just a reliable though imperfect way of identifying what is best, then Mill is an act utilitarian.

Western Political Thought John S.Mill, John S.Mill Political Theory

And hence all social inequalities which have ceased to be considered expedient, assume the character not of simple inexpediency, but of injustice. Without breaking entirely from the past, Marx established principles that would be used by future revolutionaries of the 20th century namely , , , and.

Mill's Moral and Political Philosophy (Stanford Encyclopedia of Philosophy)

This shows us that we should distinguish stronger and weaker legal moralist claims. He also promoted the role of direct elections rather than a two-stage election.

The Liberal Self: John Stuart Mill's Moral and Political Philosophy by Wendy Donner

It is not hard to see how true beliefs would possess at least instrumental value, if only because our actions, plans, and reasoning are likely to be more successful when based on true beliefs. Harm prevention is neither necessary nor sufficient to restrict individual liberties.

John Stuart Mill's Moral, Social, and Political Philosophy

For an explanation of Axiomatic Social Choice Theory, see Jonathan Riley, Liberal Utilitarianism: Social Choice Theory and J. It is the sole case, now that negro slavery has been abolished, in which a human being in the plenitude of every faculty is delivered up to the tender mercies of another human being, in the hope forsooth that this other will use the power solely for the good of the person subjected to it. Someone has a right just in case she has a claim that society ought to protect by force of law or public opinion V 24.

Mill's Moral and Political Philosophy (Stanford Encyclopedia of Philosophy)

Western philosophical tradition can be traced back as early as Plato 427—347 BC. Mill applies his liberal principles to issues of sexual equality primarily in *The Subjection of Women*. What of the substance of democratic government? The ground for thus limiting his power of voluntarily disposing of his own lot is apparent, and is very clearly seen in this extreme case.

Western Political Thought John S.Mill, John S.Mill Political Theory

These are reasonably strong consequentialist arguments against giving the state a broad discretionary power to engage in paternalistic legislation whenever it sees fit. At twenty, John Stuart Mill fell into crisis and mentally collapsed.
