brick, and the underpinnings Armoric sandstone of the Roule and the Fauconniere.

## Cherbourg Maritime station

It has been classified a historical monument since 1984 with its two side returns and corresponding roofing also classified are the vestibule, the grand staircase, the hall and foyer, as well as the 13 original decorations. In 1916, introduced its first French factory in Cherbourg. The King of England then refused to return the city to the Navarrese, despite the efforts of Charles II.

## Cherbourg l'epopee transatlantique.

Inside the city walls, the castle, itself protected by wide moats and equipped with a keep and twelve towers, was south-east of the city. Nice touch that in the attraction they had a baby carrier instead of lugging around the buggy. Le Poupet, which relies in particular on the works of and , the content of the coat of arms evokes the maritime trade of the city, the bezants - traditional furniture of the arms of ennobled financiers - represent wealth and fortune, while the star shows peace and prudence.

## Cherbourg Maritime station

The town hall was built at the beginning of the 19th century; It was enlarged twice, first in 1850 by a south-west wing forming an L-shape with the first building, and then under the salon of the Empress , and reworked after the Liberation. Rural village housing scattered in hamlets made up around large farms La Crespinere, La Prevallerie, Grimesnil, La Gamacherie, etc.

## Cherbourg

It was the logo of the municipality until the merger with Cherbourg, which then took the logo of Cherbourg. Dedicated to oceanographic
