## Review of Philanthropy, hidden strategy, and collective resistance: A primer for concerned educators

Although, historically, most foundation giving has focused on programs and practices e.

### Philanthropy in K

Philanthropic Giving by Issue Area, 2008 to 2012 Source: The Foundation Center, 2015. The new givers have learned the importance of focusing on the sustained, lasting results of their generosity. At times, the prohibitions and restrictions seem so dense that it is only natural that most education reform is about tinkering with more easily influenced elements like curricula, pedagogies, training, and management routines—creating a constant whir of activity but changing little of substance.

### The Challenge of Giving (Opinion)

It does indeed build on the notion of leverage. Or funders would help launch dynamic schools, only to see them fall apart when the charismatic founder left. In contrast, the new entrants tended more toward granting directly to schools both public, including charter schools, and private and state and national policy work on a different set of issues — notably school choice.

### With the Best of Intentions

Ultimately, however, the likelihood is that these programs and talented individuals will be stranded like jalopies along a rutted road if the policy terrain is hostile.
