Capitalists and Christians

Toronto Mayor John Tory said Dundas never set foot in Canada and insisted the city should not celebrate his legacy. The upward social movement of Irish Catholics out of the working-class into the middle-class suburban mainstream often meant their assimilation with broader, secular English society and loss of a separate Catholic identity. A history of religion in Britain: practice and belief from pre-Roman times to the present.

DAVID J. JEREMY, Capitalists and Christians: Business Leaders and the Churches in Britain 1900

Chapters from 'The Agrarian Histor of England and Wales', Vol. For the next 150 years, religious policy varied with the ruler: and favored greater Protestantism, including new books of and.

History of Christianity in Britain

He calls for more exploration of most of the issues, but in several areas such as Methodist-business relations or the Billy Graham crusade of 1954 he has already produced a very thorough study. Authorized users may be able to access the full text articles at this site. These fractures were prompted by issues of government and patronage, but reflected a wider division between the hard-line and the theologically more tolerant.

Vol. 44, No. 4, Nov., 1991 of The Economic History Review on JSTOR

Jeremy examines the collective biographies of three business elites to explore issues important to business and religion and assesses the extent to which the participation of business leaders in religious life has affected the major Protestant denominations.

Capitalists and Christians: Business Leaders and the Churches in Britain 1900

The History Press Stroud , 2008. Dear Customer, As a global organization, we, like many others, recognize the significant threat posed by the coronavirus.

Capitalists and Christians : Business Leaders and the Churches in Britain, 1900

Drawing on a wide range of sources, including newspapers and journals, unpublished records, and interviews, Jeremy has produced a thought-provoking analysis of a relationship that could be both tense and fruitful. The relations between business and the churches are well worth attention.
