## Khovanshchina (film)

I should not have to download a copy from the internet. The extent of her husband's contribution is unknown but likely negligible in light of his non-musical background. Ward Marston must have worked wonders with the original 78s but it also seems that they must have been in extremely good fettle.

## Modest Mussorgsky

## Modest Mussorgsky

In the last act he finds a warmer tone to compensate for the aggressiveness earlier on. Similar comparisons extend to the minor roles, the Emma here being very squeaky compared with Iolanda Mancini.

## Mussorgsky: Khovanshchina

I would not myself give the set preference over Abbado's, which also has its shortcomings but does present the work with steady inspiration. However, a 1958 radio production from Rome under Artur Rodzinski has been marketed on CD by Video Arts.

## Mussorgsky: Khovanshchina (page 1 of 2)

The conspirators hear this name in fear. In Act one, Khovansky appears in the center top space, flanked by his henchmen, the populace crowded into the spaces below and behind.

## Mussorgsky: Khovanshchina

In fact, it is played out against the background of the Russian people, represented in grand choral scenes, of love interests primarily in the person of Marfa, an Old Believer, along with a host of other significant and not so significant characters, the most important being the Boyar Shaklovity, a

supporter of the Tsar. In the final act, in the role of the Old Believers, they sing mournfully and with hope of their forthcoming purification in the fire, and of their faith in God, helping to bring the opera to a glorious end.

### **Khovanshchina (Mussorgsky, Modest)**

September 15, 2012 By Robert G. The path to international acclaim was very roundabout: most of Khovanshchina — repeating the fate of Boris Godunov — was performed in the version produced by Rimsky-Korsakov.
