Job adverts have exceptionally low response rates in Japan, especially if they are not translated to Japanese.

HRM in Japan

Although it was claimed that this system was designed to support foreigners in their acquisition of technical skills and knowledge of Japanese advanced technology, in reality it has been used to make up for a shortage of unskilled labor in Japan.

Japan Jobs for Filipinos from Hiring Manpower Agencies in 2021

I recently received an e-mail from Kurematsu Saichi, the Assistant Director of the Labor Union Association of Aichi Prefecture. After serving in the army in World War I, he graduated from in 1920 with a degree in economics.

Skill Development and Training Institute

He was alone, seated before his desk on which were two or three neat piles of notes containing the information of the past two hours. The rise of the United States as both a world economic and military power corresponded with the collapse of European prestige.
