## Puritan Iconoclasm in the English Civil War

The circumstance that over one-half of the sermons were published and are still available presents the possibility for extensive study of them. The abortive Classical Movement 1580-90 had failed to establish a meaningful structure within the Church of England.

When Parliament again assembled in 1640 the growing power of the Laudian party in the universities cannot fail to have increased the distrust felt by Puritans and Parliamentarians for Oxford and Cambridge.

## From Civil War to Tory Reaction

The Crown also tried to participate directly in the productive process, leading to the establishment of profitably monopolies. As Chancellor of the University Buckingham was popular and successful.

And so the irrepressible and fiery force of Puritanism met the immovable object of English royalty. In the will of Thomas Williamson, a churchwarden of Chelmsford Parish Church now the Cathedral, money was left to finance monthly sermons, to be preached in the town, six shillings 30p to be paid for each.

Julian pointed out that, in the custom of the time, her right hand resting on her stomach indicated that she was pregnant. By accusing Puritan iconoclasts of adoring 'innovation' Cavendish in fact reverses the argument advanced by the iconoclasts of the early sixteen-forties for the need to reform English churches and English devotional practice. Many puritan clergy considered the Church as a true vocation, and as a potential forum for education, and broadcasting their own religious values.

His work *Appello Caesarum* 1625 was a defense against Popery and Arminianism. The critical determination is the total number of sermons in the several classes, including those not published as well as — and this seems unlikely — any which may have been lost. In 1616 another royal mandate required a similar subscription from those who took any degree in the schools.
