Edition Notes Texts and captions in Greek and English. Other Titles Cyprus contemporary art : an itinerary Wikipedia citation Copy and paste this code into your Wikipedia page. As a beautiful object, it might at that time deserve to be mentioned in connection with pearls.

**Job 28:18**

The coral is a well known marine substance, not valued now as if it were a precious stone, but probably in the time of Job regarded as of value sufficient to be reckoned with gems. It should be added, however, that there is no absolute certainty that Job referred here to coral.
