### Online TDM Encyclopedia

The speed of public transport increased bus: +6.

### International Fuel

Despite significant investment in highways, roads, and public transit, traffic conditions in most major cities continue to deteriorate. Pay-As-You-Drive insurance Prorates premiums by mileage so vehicle insurance becomes a variable cost. Toll Roads News a monthly newsletter on tolling and road pricing.

### [PDF] COST

SR 91 Express Toll Lanes State Route 91 in Orange County, California has 10-miles of express toll lanes privately constructed and built by the California Private Transportation Company CPTC , and funded by variable electronic tolls. World Bank Analysis of Toll Roads Estache, Romero and Strong 2000 A World Bank study came to the following conclusions about the prospects of privately financed toll roads: The demand for road services will continue to grow and hence so will the need for investment. Congestion Relief Analysis WSDOT, 2006 A study by the Washington State Department of Transportation compared various potential congestion reduction strategies in its major urban areas, including highway capacity expansion, transit service improvements, High Occupant Vehicle priority lanes, and congestion pricing.

### The Case for an Efficient, Equitable Transportation Strategy

The program is therefore deliberately named A Different Way of Paying for Mobility.

### Distinguishing the land use effects of road pricing based on the urban form attributes

Road Pricing that reduces total vehicle travel can reduce road and parking facility costs, increase road safety, protect the environment, encourage more efficient land use, and improve community. But backers say that with new approach, the roads can live up to early hype.

## **The Case for an Efficient, Equitable Transportation Strategy**

Charges users directly for their road costs. It is a type of Managed Lane Goodin 2005. This may lead to a reduction in the economic efficiency of a project and to increased land use.

### **International Fuel**

To obtain congressional support, the highway system passed through 406 of the 435 congressional districts.
