Human capital, graduate migration and innovation in British regions

Gateshead in particular was one of the towns that changed most significantly due to the events of Industrial Revolution, but moreover took in one of the largest numbers of Irish of all the County Durham towns.

The Migration to North America

Leeds Irish Health and Homes.

Foreign Investment In The United States

From 1990 The United States continued to be a debtor nation in world accounts, attracting more long term inward investments than it made outward investments.

[PDF] A question of labour : indentured immigration into Trinidad and British Guiana, 1875

After making their way to Holland and then England, about 2,100 Palatine Germans reached America in 1710, settling mainly in New York. These retired soldiers, the Royal New Zealand Fencibles, were also known as Chelsea pensioners because their British pensions were administered at Chelsea, London, though paid through the New Zealand Treasury.
