Table of Contents: Evidence, history, and the Great War :

See the for more details. These points would have nuanced the otherwise convincing portrait presented by Simonetta Ortaggi.

'The impact of the 1914

But the image of such women was far from clear-cut. The essays in this volume incorporate a European perspective, engage with the historiography of the war, and consider how the primary textual, oral and pictorial evidence has been used - or abused. Pound, The Lost Generation, Evans Trail: University of Michigan, 1964 ; p.

Evidence, History and the Great War by Gail Braybon

Book Description: In the English-speaking world the Great War maintains a tenacious grip on the public imagination, and also continues to draw historians to an event which has been interpreted variously as a symbol of modernity, the midwife to the twentieth century and an agent of social change. The relevant contributions in this volume rightly draw our attention to the need for much more research on the varieties of that response, which went well beyond munitions work and nursing, before we can safely generalise. The war's social history is now ripe for reassessment and revision.

Evidence, History and the Great War: Historians and the Impact of 1914

As the editor says quite accurately in her introduction p. This was the case with peasant women in France, Germany, Italy and elsewhere, and also of women in occupied areas of France and Poland, all of whom shouldered the economic burden of the family. May not include supplemental items like discs, access codes, dust jacket, etc.
