## A Timeline of Tudor and Stuart Britain

After Edward re-took the throne in 1471, Henry Tudor spent 14 years in exile in France. The king ended every assize court by recommending those who would be reprieved, especially if there were respectable members of the community who were willing to speak for them. For most of the time, the country was ruled by Oliver Cromwell, who called himself the Lord Protector of the Commonwealth of England, Scotland and Ireland.
