## A history of Writing

On the second floor there is a rectangular receiving area. An industrial school was opened at the mission in 1885, in response to Dominion government policy, and by 1905 the convent building was renovated to house a residential school. Fort Dunvegan was a substantial trading post between 1805 and 1918.

## A history of Writing

Spanning 6,641 square kilometres 2,564 square miles of valleys, mountains, glaciers, forests, meadows and rivers, Banff National Park is one of the world's premier destination spots.

## A history of Writing

The site was developed for public use with a nearby swimming pool and bath-house and is now operated as a historic site open to the public. The establishment of the McCord Brickyard in the 1880s marked the start of continuous brick manufacturing at this location.

## A history of Writing

Its location on the eastern edge of the Central Business District, across from Olympic Plaza and near the terminus of Steven Avenue pedestrian Mall, forms the civic focal point of the city. The original spelling, punctuation, and line breaks in the text have been preserved in the transcription which follows letter case is not. Major additions such as the hammer beam ceiling, installed between 1931 and 1932, the rose windows on the east and west transepts, added in 1955, and the copper exterior roofing, added in 1977 to prevent the leaking of the original concrete roof, are sympathetic to the original design.
