### The Dead Sea Scrolls: Texts and Context (Studies of the Texts of The Desert of Judah)

Evenings are cooler but not very cold. II 4Q128—4Q157 DJD 6; Oxford: Clarendon, 1977 , 3—22.

### The Dead Sea Scrolls: Texts and Context (Studies of the Texts of The Desert of Judah)

Will be going to Masada can I wear sandals or regular closed toed shoes? We see, then, that during the eighteen years of the Golden Age of archaeological research in the Judean Desert, most of the documents were discovered 68 For the publication of the Aramaic and Hebrew ostraca found at Masada, see Y. In one he found two parchments from a head phylactery and a small fragment of a scroll; in another cave he found a large group of arrows.

### All Around the Moon

The grass had frozen, and before we reached a cache of oats I had relied on, most of our horses perished; we arrived at Nome too late for the last steamer of the year.

### Rim of the desert (1980 edition)

Do hotels provide blow dryers and irons? This book describes the 444 days long ordeal faced by the people in the American embassy at Tehran. The desert areas eg bedouin areas get cool at night.

### What to Wear in Israel: 9 Essential Tips from a Local

See also Lena Cansdale, Qumran and the Essenes: A Re-Evaluation of the Evidence Tübingen: Mohr Siebeck, 1997 , 158—159, for the conclusion that glass was still a luxury product affordable only to affluent individuals during the 1st century BCE and the 1st century CE. On the importance of the missing Samuel fragment, see E. XXVIII: Miscellanea, Part 2 DJD 28; ed.
