### Our Sauce

A commemorative markers denotes the site of the battle and there is also a series of information boards that tell the history of the battle. At least 23 people were killed and dozens more injured.

### Home

On 12 July 2016, a occurred on the line south of Andria. At the end of the cave there is a beautiful stone and marble monument dedicated to the Saint. Furthermore, you can relax in the pleasant Villa Comunale Park on the coast, or visit the splendid Basilica di San Nicola.

### 15 Things Best to Do in Andria (Italy)

Located next to the town of Canosa, you can reach this site from Andria in less than 30 minutes and it presents another fantastic attraction to explore.

### Andria

Your children will simply love the rides here and there is also a series of restaurants and cafes for a snack or a meal. Castle del Monte is possibly one of the most beautiful castles created and it features a fantastic octagonal design with 8 identical octagonal guard towers. Finally, due to its proximity to the coast, Andria has great access to some world class beaches and seaside resorts for those who wish to relax.

### Home

This is a great location to visit and relax, but also offers the opportunity to partake in sports such as tennis. Andria is a fantastic destination located on the eastern coast of Italy in the Apulia region of the country. The interior features some interesting stone designs and sculptures.

### Our Sauce

Andria also has a plethora of superb quality restaurants and cafes for those who love to wine and dine. The middle level Tempietto has three

arcades in polychrome marbles, and is home to the Byzantine icon.
