Home Protection Tips

Additionally, a similar law that allows this type of deed has been passed in Indiana in 2009. Effectiveness: Uplift protection ranges from 400 to 1500 pounds or more, depending on the clip.

6 Ways to Protect Your Home From a Lawsuit

Look at the real newd, look up the Tea Party web.

How to Secure Your Home (with Pictures)

Any attorney that recommends you simply rely on legal structures and not buy insurance is taking a serious risk on your behalf.

Protecting Your Home from Deed Theft

In cold weather, either the water to the washer or the drain to the sewer freezes. In the past, he says, a number of products on the market that resisted bullet penetration then failed debris-impact testing with a 2 x 4.

6 Ways to Protect Your Home From a Lawsuit

The optimal one depends on your particular circumstances and the state in which you reside. A VERY bad idea for a lot of reasons.
