Astronomy and Mythology in Native American Culture

It was an old custom and one no longer popular among the Iroquois people, but the hermit had insisted upon it before his death. In wet cycles, there were prehistoric attempts to farm farther west, and in historic times the Apaches raised fair crops in the eastern foothills of the southern tip of the Rockies, but only the white men combined the mechanical equipment and the stupidity to break the turf and exhaust the soil of the dry, high plains.

Myths That Hide The American Indian

When Bear finally returned, Fire drove him away and now Fire belongs only to Man.

Native American Myths at skynet2550.us.to

The legend of the White Buffalo Calf Woman remains ever promising in this age of spiritual enlightenment and conscious awareness.

Names of the Native American Gods and Spirits

There are strange possibilities beyond the veil, that there might even exist a greater part of ourselves that is divinely guiding us even though we might not be aware of it due to our attachment to earthly living. Great warriors were held in high esteem, and the gods smiled upon them— so long as the medicine men did their bit in the ritual department. We do not find here the striking resemblances to Meso-America in numbers of culture traits we find in the Southeast; the influence must have been much more indirect, ideas and objects passing in the course of trade from tribe to tribe over the thousand miles or so of desert northern Mexico.

Coyote

According to their myths, Thunderbird ruled over the upperworld and the Great Horned ruled over.
